Our School:

The Charter School of Morgan Hill is a public K-8 school, operated by a nonprofit corporation, which is governed by a seven-member volunteer Board of Directors working in collaboration with the parents, staff and community to ensure that the school meets its charter mandates. We are in our fifth year of operation and have grown from 175 to 425 students.

The Charter School of Morgan Hill was started by a group of parents and educators who shared a common vision. They believed that by partnering staff, students, parents and community it would be possible to create a unique, challenging and individualized learning environment with high academic expectations. Besides core classes, students receive specialized instruction in Spanish, Art, Music, Physical Education and Agricultural Science.

Because this is a public school, admission is open to any student in the state with preference given to students residing in the Morgan Hill Unified School District attendance area.
