

## Wishing Well – Granting Teachers Their Wishes!

An exciting new addition to our auction this year is the Wishing Well! The wishing well fund grants every teacher an additional budget for some “extras” to improve their curriculum. Each grade, enrichment, elective, and resource teacher, and office staff at CSMH has created a wish list of supplies, and the Gala Benefit Auction committee will purchase all the items on their list, then deliver everything before October 19th, 2008 – guaranteed! Parents who are attending the auction may choose to purchase specific items from the various wish lists, or all parents can make a donation to a general wishing well fund via this website by clicking on ‘Sponsor us or Make a Donation’. Be sure to specify the dollar amount of your donation, and choose “Wishing Well” from the ‘Please direct my donation to this fund’ pull down menu. We appreciate your support for our teachers and hope you will help us make their wishes come true!
