Fall Exhibition

Thursday, November 6th, you are invited to the Charter School's Fall Exhibition. Classrooms will be open from 5:30-7:30 p.m. You may come any time during this two hour period. The students have been working hard in their classrooms on projects and this is their opportunity to show off all their hard work.

In this week's e-folder, you will find a program describing all the projects the students have been doing. We strongly encourage you to walk around to all the classrooms and see the great learning that is taking place at our school. A few of the classes are holding special presentations at specific times. Please respect their performances by being on time and staying for the entire presentation.

We look forward to seeing everyone on Thursday night!!

Dinner is Served

Make your life easy the night of the school's exhibition. The 8th graders are preparing a roasted chicken dinner complete with salad, fruit, bread and a drink. The dinner will be available from 5:00-7:00 pm. It is being prepared by Charter School dad and chef, Charles Lewis. All funds from the dinner go to our 8th graders Washington D.C. trip. Be sure to pre-order your tickets by Monday. No tickets will be available at the door this year.

Cheetah Sports

Congratulations to all of our outstanding athletes for a wonderful Fall season. Our Cheetah teams played their final games, even though many rival teams were phoning in requests to take one more shot at our undefeated 8th grade girl's volleyball team. We had to end our season somewhere so we did it on the court of the Sacred Heart Spartans. Our 8th grade girls finished off the Spartans in a tough three game match. Congratulations to our Lady Cheetahs and to Coach Chagnon for another undefeated season!

The seventh grade girl's volleyball team, led by Coach Nancy Rhoads, had an incredible season. The girls really developed as the season progressed – demonstrating great serving and volleying. They will be a team to be reckoned with next year.

In our last game of the regular season, our 8th grade boy's flag football team stunned the Sacred Heart Spartans by a score of 36-16 at the Cheetah's home field. The Cheetah's took an early lead and never looked back. The defense held the high-scoring Spartans to only two touchdowns. With that win, the Cheetah's entered the season-ending tournament ranked fourth in a very competitive league. The tournament was hosted by Charter School and played

at the Morgan Hill

Soccer Complex. Coach Mike Miller led the Cheetah's to a decisive victory over the Oakwood Hawks, who had defeated the Cheetahs twice in the regular season. The Cheetahs went on to defeat the Southside Bulldogs and then the Crossroad Eagles to earn a spot in the championship game against the Spring Grove Tigers. The Tigers were undefeated in the regular season and defeated the Cheetahs 20 to 6. Congratulations on the second place finish!

The seventh grade boy's flag football team had an outstanding season. Chris Valenzuela worked with a twenty man roster – creating two squads. Every player had an opportunity to develop both their defensive and offensive skills. We are anticipating an exciting season next year.

Thank you to Russ Chagnon, Mike Miller, Nancy Rhoads and Chris Valenzuela for taking on the Volleyball and Flag Football teams. We had over 45 seventh and eighth grade athletes participate! Next week, our athletes begin the boy's soccer and girl's basketball seasons.

More Wishes Coming True!!

More wishes were granted this week as a result of our Clos LaChance auction. The wishes granted this week were:

Ms. Lashbrook received the coolest art cart any teacher without a classroom could ask for. It was filled with clay and art paper.

Mrs. DeRome's first grade class received 35 books on tape and CDs. These will be used in the five new tape players and five new CD players, all equipped with

headphones, that were purchased.

Our music teacher, Mr. Schnittman, received a new amp and bass guitar for the band. The music program was also the recipient of a microphone and mic boom.

Upcoming Dates to Remember
