PERFECT SEASON!

VOLLEYBALL

FLAG FOOTBALL

For the fifth consecutive year, our 8th grade girl's volleyball team dominated to capture 1st place in the San Benito Athletic League. "This was the best season ever," says coach Chagnon of his team which included many returning veterans and welcomed a host of new faces, including Zeila Mares, Marah Krikorian, Amanda Zizzo and Kailee Izat.

Led by the awesome offensive surge of servers Katie Chagnon, Sarah Lewis and Devyn Gunskey, our lady Cheetahs won 26 games dropping only 4 games in league play. Alyssa Smedlund, Khailyn Neumayer, Taylor Duarte and Hedyeh Tirgardoony proved a dominant at the net and Katie Georgi and Kendall Kantack came up big defensively.

Their final match was a close contest with rivals Sacred Heart Spartans, who beat them twice last year. The Lady Cheetahs won in 4 games to finish their season undefeated!.The cheetahs moved from a return team to an offensive team

Thank you to Russ Chagnon and Nancy Rhoads for preparing our girls for the next level.

LEAGUE NEWS

The 8th grade Cheetah men kept the fall gridiron tradition alive this season. Though most players got a chance to play both on offense and defense, pin point precision passing by Tony Mihai and that huge arm of Connor Desmond at the quarter back position powered our high scoring offense. Outstanding efforts by receivers Ty Miller, Ryan Sarll, Trevor Mitoma, Vinny Czeropski and Lucas Salem kept our offense rolling. Our solid defense was led by top interceptor Albert Thai and top rusher Evan Shirle who forced so many bad passes we stopped counting. Clayton Carlson stepped up to cover those big boys from Hollister and Ryan Ochoa, Joey Kim and Cole Charron rounded off a solid defensive squad.

A 38-18 upset over the second-ranked Sacred Heart Spartans earned the Cheetah men a 4th seed in the final league tournament. After three big wins over the Oakwood Hawks, Southside Bulldogs and Crossroads Eagles, the Cheetahs took Second place in league, losing to the undefeated Spring Grove Tigers, 6-18. What a season! *Thank you to coaches Nick Hagiperos, Buzz Sarll, Chris Valenzuela and Mike Miller!*
