Change Your Calendars

As many of you are aware, the Charter School is required to present an annual report to the Morgan Hill Unified Board of Directors each year. We were scheduled to present this Tuesday, January 13th but we have been **rescheduled to Tuesday, February 10th**. We would like to have a large group of staff and parents at the meeting to show the Board members how much we support CSMH. The meeting is located at the Morgan Hill District Office on Concord Circle. Please mark this new date on your calendar and plan on attending!!

Reenrollment

You will find reenrollment forms in today's folder. At the top of the form, please indicate if your child will be returning; list any siblings that you will be completing a 2009-2010 enrollment application for and sign and date the bottom. Then review the emergency information we have for your child in our database for accuracy. Indicate any corrections, changes and/or additions and then sign again at the end of the form. All forms are due back by Monday, January 26th.

If you have an eighth grader, please list any siblings that you may be enrolling and check over the emergency info.

Our current families are our best recruiters so I would like to share with you some important dates that you may want to pass along to people who are interested in attending the Charter School. Information nights currently scheduled are –

- January 15th
- January 27th
- February 11th

They will all be held at the Charter School from 6:30-8:00 pm. School tours will be in the mornings the week of February 2nd. New applications will be accepted from February 9th – March 6th. Please encourage people interested in our School to attend one of the information nights and to visit our website.

Yearbook Deadline Approaching

Have you ordered your yearbook yet? If not, you need to do so by January 15th!! Our yearbook advisor,

Mrs. Funke, and the yearbook students have been working hard to produce what will be another fantastic yearbook. Orders can be done on-line via the link on the School's website or forms are available in the office. Very few yearbooks are available at the end of the year so be sure to order yours today.

Middle School Alert

Next week will mark the half way point of the school year. That means that middle school schedules will change. Students will be assigned to new enrichment and exploratory classes. The exploratory class descriptions for the next half of the year and a sign up sheet were given out to the students today. **They should be returned on Monday with a parent's signature!!**

CSMH 2009-2010 Calendar

Start your New Year with a new calendar made by our students! If you haven't already purchased your student made 2009/2010 calendar, you can buy one from Nancy's front desk. The drawings are absolutely stunning. School activities such as minimum days and vacations, are listed each month. The calendar sells for \$20. The profits will go back into the art budget to enable us to offer more exciting projects.
