The Community Law Enforcement Foundation of Morgan Hill (CLEF) was established by a group of Morgan Hill Residents to support and promote public safety through partnerships that provide resources to help the Morgan Hill Police Department perform at its highest level of service to the community. CLEF aims to raise funds to provide equipment and training for programs not included in the department's budget.

Among the foundation's immediate goals are to raise funds to provide money to update equipment in patrol vehicles and sustain the department's K-9 Unit.

The Community Law Enforcement Foundation of Morgan Hill is a 501c(3) Corporation. www.morganhillclef.org
