How do I sign up?

Contact Kathy Funke at kfunke@csmh.org, or call 710-0455. Sign ups are on a first-come, first-served basis.

Why should I sign up?

A lot of hard work, effort and planning went into the gardens this past semester. It would be nice for someone to benefit from all the produce.

The chickens live permanently at CSMH and need care all during the summer.

When we return to school in August we will have a beautiful garden laboratory to start off our Ag. Science studies.
