Board of Directors Election Results

It is my pleasure to announce the results of the recent CSMH Board Election. Cindy Gion was elected to the parent representative position and Matt Taylor was elected to the community representative position. Cindy has a graduating eighth grader and a son who will be in 6th grade next year. Matt was appointed to serve out Amy Reid's term when she resigned from the Board in December. He has been a great asset to the school and we are glad that he is continuing.

Our current Board President and parent representative, Sherri Duarte, will be finishing her term in August. She has served on the Board of Directors for four years. We have greatly appreciated her guidance, hard work, dedication and time. We thank her for everything she has done and are confident that she will find other ways to contribute her time and talents to the school!!

Awards Assembly

On the last day of school an awards assembly will be held from approximately 10:30-11:30 a.m. Students in grades 4th and above will be recognized for academic excellence. Some special middle school awards will be presented. Eighth graders will be recognized. No tardy awards will be given at all grade levels. Parents are welcome to attend this ceremony.

Lunch Accounts and Medication

There are many outstanding balances on lunch accounts. Please get checks in this week. Families that have an unpaid balance will not receive report cards.

Our medicine cabinet is overflowing! Please remember to pick up your child's medicine in the health office by next Wednesday. Thank you.

Family Fun Fest

The Family Fun Fest was a huge success!! We had a large crowd the entire time. The children and the adults all had a great time. There is a flyer attached thanking all the volunteers and committee members. However, I need to extend my thanks to Liz Bolton. She was this year's chair and did an amazing job!!! We do not have final numbers yet but rough estimates are that the school raised much more than expected – approximately \$10,000!!

Have you ordered your school supplies for next year? Be sure to order by June 30th to have them delivered to the school. See our website for more information!!

Graduation

The 8th grade graduation ceremony will be held on Tuesday, June 9th beginning at 6:00 pm at Sobrato High School. A ticket is needed to attend this event. During this evening of celebration, students who achieved a 3.5 or higher grade point average and showed academic excellence through other means will be presented with the President's Education Award. Class speeches will be given and a slide show saluting our graduates will be shown. It will be a special evening to celebrate a special group of students. We wish them all the best as they move on to their various high schools and look forward to their visits back to CSMH and updates on their continued success.

A list of the graduates and the schools they will be attending next year can be found on the next page.

The CSMH staff wishes you a wonderful summer and thanks you for a successful 2008-2009 school year. Take time to enjoy your family. Spend some time together talking, laughing and having fun!!
