### KIDS

#### Arte en Español- Art in Spanish at CSMH

In addition to learning Spanish, the kids will learn to draw realistic and abstract drawings based on the Monart method of instruction. This trains the eye to “see” what one is drawing by teaching basic forms and shapes and observation. We will do a “warm up” every day with Spanish conversation/description and drawing exercises. We will use various mediums like drawing pencils, oil pastels, water colors and markers. There will be an art appreciation aspect learning about techniques used by Spanish and Latino artists. There will be an art show on our last day together.

**August 10-14<sup>th</sup>**, 9:00-11:30 (includes recess) **Fee: \$120, (with sibling discount) \$100.**

*Ages 7-12, variations will be made in instruction for younger students.*
